REGISTRATION GUIDELINES

- Transient status studies are available only to students currently enrolled or pre-registered for the following term.
- Any course available through TTU Distance Learning is not available through transient studies.
- Register for the course only after approval has been obtained from Tennessee Temple University to enroll as a transient status student.
- Unless approved by the Academic Vice President, transient studies courses cannot be used to fulfill the requirement that 29 of the last 32 hours must be in residence at Tennessee Temple University.
- Only grades of "C" or better will be accepted for transient studies coursework.
- The student must request the institution granting the credits to mail an Official transcript to the Records Office at Tennessee Temple University as soon as the course is completed.
- All final grades for transient studies credits to be applied toward graduation are due in the Records Office by the last Wednesday before graduation.
