westwoodbaptistonline.org
Location: Murfreesboro, TN
Job Type: Full time

Job Description:

Who we are: We are a Southern Baptist Church seeking to live out the Great Commission in Middle Tennessee. We are located in West Murfreesboro, a city of around 110,000 people. While we maintain Baptist distinctives, we are preeminently committed to our Lord, Jesus Christ, as he is revealed in Scripture.

What we are looking for:

We are looking for a student pastor to lead our student (Middle and High) ministry. We believe the student section of our local church needs focused gospel leadership. We believe this candidate needs to desire to be a student pastor with all his heart. This is also an associate pastor position, so the candidate will to varying degrees be a pastor of the entire church, however, his primary ministry will be to the students. For a more detailed job description please make a request to the below contact.

Requirements:

Candidate must meet character qualifications for a Pastor found in 1 Timothy 3 and Titus 1. We believe this limits our candidate to a qualified man. We do not have minimal education or experience standards. However, seminary or bible training and experience will be taken under proper consideration.
